JOB OPPORTUNITY

Applications are invited for the Sindh HEC research-funded project (SRSP) as per the following criteria.

Project Title: **Starch stabilized Pickering Emulsions for Simultaneous Delivery of Fertilizers and Pesticidal Actives.**

Post Title: **Research Assistant (01) (Master’s level)**

Qualification: BE/BS Chemical (or any relevant engineering/sciences degree in connection with the research area) with 2.75⁺ CGPA (Candidate must be enrolled in a Master's in a relevant engineering program)

The candidate should have had a first division throughout their academic career.

Experience: Candidate must have **AT LEAST ONE** of the following:

1. Minimum 03 months of Research experience
2. Minimum 01 JCR indexed research publication
3. Minimum 06 months of industrial experience

A candidate with a keen interest in areas related to agrochemical delivery, emulsions, and nanoparticles preparation, excellent academic writing and drafting skills as well as a long-term commitment to the project will be preferred.

Post Duration*: 3 months (performance-based extension)

Salary Package*: **PKR 30,000 – 49,000/- per month** (performance based)

Application **MUST** reach the undersigned on/before **Wednesday, December 10th 2025 (13:00 hrs.)**

It **MUST** contain Biodata, attested photocopies of Educational Certificates from Matriculation onwards, prior research publications (if any), experience Testimonials, CNIC, Domicile and Character Certificates, 03 photographs and two (2) References.

Only short-listed candidates shall be called for an Interview.

Dr. Fahim Uddin

Principal Investigator
Chemical Engineering Department
