

DEPARTMENT OF CHEMICAL ENGINEERING

Revised-I

PROPOSED SCHEDULE OF MASTER OF ENGINEERING

FALL SEMESTER EXAMINATIONS- 2020

Dated: 19-02-2021

Timings: 14:00 Hrs to 17:00 Hrs

14:00 Hrs to 17:00 Hrs. (Friday)

Day & Date	Course Code	Course Title
Monday 8 th March 2021	CH-520	Advanced Heat Transfer (Evening + Weekend) <i>New</i>
	ME-542	Energy Management (Weekend)
	EM-501	Organisational Systems (Weekend) <i>New</i>
Tuesday 9 th March 2021	EM-502	Accounting and Financial Management (Evening)
	EM-505	Operations Research (Evening + Weekend)
Wednesday 10 th March 2021	CH-504	Advance Process Control (Evening)
	EM-502	Accounting and Financial Management (Weekend) <i>New</i>
Thursday 11 th March 2021	CH-502	Advanced Reaction Engineering (Weekend) <i>New</i>
	EM-512	Project Evaluation and Feasibility Analysis (Weekend)
Friday 12 th March 2021	EM-503	Strategic Planning and Decision Making (Weekend)
15 th March 2021	CH-501	Chemical Thermodynamics-III (Evening + Weekend) <i>New</i>
	CH-505	Mathematical Methods (Weekend)
	EM-501	Organizational Systems (Evening)
16 th March 2021	CH-523	Process Safety Management (New Evening)
	CH-521	Process Dynamics and Control (Weekend)
	EM-504	Project Management Framework and Tools (Evening)
18 th March 2021	CH-507	Thermal Process Engineering (Weekend) <i>New</i>
	CH-521	Process Dynamics and Control (Evening)
25 th March 2021	ME-543	Combustion Engineering (Evening)
	EM-511	Total Quality Management (Weekend)
26 th March 2021	CH-511	Polymer Processing (Evening)
	CH-523	Process Safety Management (Weekend)
	CH-498	Fundamentals of Chemical Engineering

Independent Study Project:

DAY & DATE	VENUE	TIME	COURSE CODE	ISP TOPIC
Monday 29 th March, 2021	Conference Room "Chemical Engg Dept"	10:00 to 11:00	CH-5002	Integrated Liquefaction of Natural Gas Using Energy Discharged at the end of Liquid air storage system
		11:00 to 12:00		Development of Cabinet Food Dryer and Its Optimization Using Ansys.
